Executive Summary

and recommendations

Executive summary. Market overview

1. Facial essence **market**: after the increase in June, sales revenue continued dropping in the following months. Sales revenue declined X % in September and XX % in October YOY. Sold units fell XX % and X X% respectively. It accumulates **X months of fall**.
2. XXXX's **revenue grew X % in September and October YOY** despite sold units falling X .X % YOY.
3. XX/XX **pre-sales worked better than XX/XX itself** for XXXX and benchmarks.
4. In total, from Nov Xst-XXth XXXX sold XX ,X millón RMB on its TMG shop.
5. This **XX/XX festival**, XXXX increased its **sales revenue in its TMG store by XX %** compared to November XX XX .
6. XXXX offered coupons in XX/XX itself + discounts + products as gifts.
7. This year competitors offered **coupons to boost membership or get new members**. The **cost of customer acquisition** is increasingly high in China and most of the brands are enhancing loyalty.
8. SkiSkinceuticals for the first time this year started to offer coupons (for members) + samples + gifts.
9. Filorga gave discounts, gifts, coupons (new membership, sharing coupon) and between X X and X X X RMB when charging member card.
10. Dr.Ci:labo gave discounts, coupons and gifts (some only for members).
11. Biohyalux was offering discounts and products as gifts.
12. Some buyers continue to report in their **Tmall reviews** that XXXX's **ampoule exploded when opened**.
13. XXXX introduced new products during XX/XX but without a previous promotional campaign. **We strongly recommend developing a strategy to introduce new products**.

Recommendations on social media

1. Filorga is not launching new products so quickly like other big competitors, but the brand didn't stop **promoting the existing star products with new marketing materials and collaborations**. It is also a strategy suitable for Marti Derm: **maintain the unique position of your star products** in the market.
2. As Marti Derm's social media platforms are not very active, you could invest in a certain number of **influencers** monthly in order to **keep the brand within the public view**. And through influencers, you can **build up "connections" of Marti Derm's product with the current popular trend**. Just take it seriously when choosing the influencer – it takes time to choose the right person!
3. Big promotional event like Double XX and X XX is also ideal moment to **launch new products** or start new collaborations. However, as the pre-sale starts nearly one month before, all marketing actions should start even **two months before** the big sales day.
4. Keep an eye on the new ecommerce platform **Tencent Huiju** and study the feasibility to build up a **WeChat mini-program store**.
5. You can study the **difference** of your products with products of competitors from different perspectives: **ingredients, function, how it works, why is better for your target audience etc.** and then convey all these messages through **social medias** and **WOM marketing**.

Customer opinions

Some consumers claimed it's still quite dangerous when open the bottle

这个开瓶真的挺危险的 这个玻璃瓶子开瓶就容易有玻璃碴的 不要老是提什么正确的开瓶方法或者方放冷藏啊之类的 玻璃瓶的弊端就是这样 不要找借口 这个东西真的就是能接受的就买 接受不了就不买吧 至于肤感来说用了两天 感觉还行 味道也可以 其他的待看吧 毕竟用的时候得往出挑玻璃碴子 买都买了也不能扔

解释: 您好, 感谢您的及时反馈。Get-MARTIDERM安瓶正确开瓶器方法: 1. 轻轻取出安瓶

如设计有问题, 开瓶后, 有肉眼可见的玻璃渣沾到手上, 涂脸的时候直接划伤, 不建议购买。太恐怖了。

效果怎么样不知道, 一盒30个, 用了前12个, 只有大概四个没有爆瓶, 都是前一天拿出来静置了, 两个开瓶器怎么按都爆瓶, 给售后反馈, 就叫我拍瓶底的批号给他, 然后拍瓶底的时候掉出来一瓶, 又碎了。而且开瓶器一按下去爆瓶以后又舍不得全丢, 勉强用脸上又全是碎玻璃碴子, 划的全是小口子。真的是心太累, 都有心里阴影了。售后就让我把剩下的退货退款就完了, 没有什么别的解释。

Opening bottle is really dangerous. This glass bottle is easy to be broken when it is opened. Don't always mention the correct way to open the bottle. The disadvantage of French or square refrigerated glass bottles is this. Don't make excuses. If this thing is really acceptable, buy it. If you can't accept it, don't buy it. As for the skin feeling, it's OK after two days. The taste is OK. Wait and see. After all, it's time-consuming. I have to pick out glass scraps and buy them. I can't throw them away.
(Black Diamond Skin Complex Advanced)

There is a problem with the packaging design. After opening the bottle, glass slag invisible to the naked eye stained on the hand and scratched directly when painting the face. It is not recommended to buy it.
(Black Diamond Skin Complex Advanced)

I don't know what happened. **I used the first XX in a box of X X . Only about four didn't explode.** They were taken out one day in advance. After the two bottle openers were set, they burst the bottle according to the press. For after-sales response, they asked me to take the batch number at the bottom and give it to him, and then when I took the bottom. A bottle fell out and broke again. Moreover, as soon as the bottle opener was pressed down and exploded, he was reluctant to lose it all, and his face was full of broken glass. It's all small cuts. It's really that my heart is too tired. I have a shadow in my heart. After sales, let me refund the rest. No, there's no other explanation. **(Black Diamond Skin Complex Advanced)**

Complains about explosions of bottles

爆瓶爆瓶！开三瓶爆三瓶！刚刚开第4瓶还把我老公手划伤了，真的是晦气！一只快30块钱什么玩意！剩下的真的不敢开了，胆战心惊，要不换个包装吧，真伤不起！

味道不是很喜欢，但是用上以后，很喜欢油油亮亮的感觉，（华为mate30相机拍摄，轻度磨皮无美颜），再就是掰的时候每次都“嘭”一声，幸亏我是护士，不然每次掰的时候吓一跳，估计就不会再用了

用了一段时间来追评，别人我不知道，反正我用了以后爆痘，炎症严重，我扔了。

又又又复购了~真的是去闭口大杀器，而且吸收很好，成分党爱了爱了，每盒都配了开瓶器和底座，放进去按一下就开了，安全很多，分两次用的话，还可以盖上盖子，放在底座上~我是敏感肌，所以有做耳后测试后才用的。

Bottle burst! Open three bottles and explode three bottles! Just opened the X th and scratched my husband's hand. It's really unlucky! It's almost X X yuan each What the hell! The rest really dare not open. I'm frightened. Why don't you change the packaging? I can't afford to hurt!

Overall evaluation: very good, customer service is also friendly, moisturizing and oil control effect: good, but the triangle area is still red after so long use. I don't know (Black Diamond Skin Complex Advanced)

8月31号下午6点多签收，不到6小时降价110多赠送安瓶14个，开了两瓶，有白色小颗粒，客服说以前从没有这种情况，退货说的我生气，呵呵，平台客服沟通跟你们沟通，说是让我点退货退运费还能评价，转头说不能评价。（退货退运费显示的是你们白送给我东西了，代表着我没花钱，是事实我花了1000多大洋）我不要你们补差价和安瓶了，就写出来吧，以后不会再买，客服也是绝，话语都是客气，字看着都是好话，可是理解一下意思就是推脱责任，一会一个意思，说的话就跟王熙凤的脸一样变得太快了，牛*，就当钱打水漂了，真是服你们了，物流不错挺快的，其他的算了吧，跟客服的聊天太长了，我都懒得放出来了，如果店铺你们在下面评论说我是拖的话，麻烦聊天记录完整放出来好吧，真是恶心**给恶心的回复

收货11天后追加:

看吧, 今早拿出来打开了一瓶, 这个白色硬质颗粒够清晰吧, 客服只会告诉你这是沉淀正常的, 你告诉他这个硬的跟石头一样, 揉都揉不开的手心都疼, 他会说这个问题从没出现过, 踢皮球挺厉害的

At more than X p.m. on August X X, I signed for the receipt. In less than X hours, the price reduced by more than XXX and gave XX ampoules as gifts. After opening two bottles with small white particles, the customer service said that this had never happened before. Previously, I commented that it was a fake. I still felt that I wouldn't give me a fake. Now I hit my face very hard. I'm angry about the return. Ha ha, the customer service of Taoguan communicated with you, You said it was you that asked me to evaluate the return freight, but turned around and said that I couldn't. (the return freight shows that you gave me something for nothing, which means I didn't spend money. It's a fact that I spent more than XX X X RMB). I don't want you to make up the price difference and ampoule. Just write it out. I won't buy it again in the future. Customer service is also unique. The words look good, But to understand the meaning is to shirk responsibility. After a while, it means that what you say will become too fast like Wang Xifeng's face. Cow *, it will be like money floating. It really suits you. The logistics is good and fast. Forget the others. The chat with customer service is too long. I'm too lazy to let it out. It's disgusting * * open the door to disgust. It's disgusting.

(Black Diamond Skin Complex Advanced)

Look, this morning I took out a bottle and opened it. The white hard particles are clear enough. The customer service will only tell you that the precipitation is normal. Telling him that the hard particles are like stones. They can't be kneaded. The palms of the fingers hurt. He will say that this problem has never occurred. It's very powerful to play the ball

第一次用，太香了吧！等用了一个月后来反馈 400入手600ml的，应该没人比我更低了吧

解释：您好，产品本身是带有淡玫瑰的且比较清爽的味道。每个人的嗅觉感官不同，对气味的喜好程度会有差异，但护肤类的产品重在于效果，相信您在体验过产品后，会因效果爱上这个味道哦。【MARTIDERM海外旗舰店】

收货20天后追加：用了半个月了，来个反馈。本人内干外油皮。开始是早c晚A，醒醒推荐这么用的。早上流程：无印良品高保湿水 + 这个 + 安耐晒，晚上，无印 + a醇，中间时不时把水换了用神仙水。用了一段时间早上c很不好反馈。不知道是安耐晒太油还是怎么闷痘闭口多了很多。后来试了几次晚上用感觉挺不错第二天早上皮肤确实可以。应该不会回购，没有给我很惊艳的感觉，也没有让我的皮肤稳定，反正就处于时不时要出问题那种，也不知道是不是跟我用a醇有关。

解释：您好，感谢您对品牌的支持与信赖。这款全新升级的鲜活驻颜安瓶精华新增抗老因子，进一步强化了肌肤的修复力，帮助延缓肌肤老化，淡化细纹，令肌肤饱满透亮。建议您日常保持良好的饮食习惯，持续使用护肤产品的同时，搭配细致的护肤手法促进产品吸收。相信会给您带来健康的肌肤改变。【MARTIDERM海外旗舰店】

It's the first time to use it. It's so great! After using it for a month, I'm here to show the feedback, I spent X X X RMB buying X X X ml. no one buy in lower price than me I suppose
(Black Diamond Skin Complex Advanced)

It's been used for half a month. I'm here showing the feedback. I am dry inside and oily outside. The beginning is early C and late A, that's how KOL recommended. Morning process: Muji high moisturizing water + this product + Anness, at night, no printing + A alcohol, change the water from time to time and use SK II. It took some time, but the morning C was very bad. I don't know whether it's Annai suntan oil or how stuffy beans shut up a lot. Later, I tried it several times at night. It felt very good. The next morning, the skin was OK. It shouldn't buy for a second time. **It doesn't give me a very amazing feeling, nor does it make my skin stable.** Anyway, it's the kind of problem from time to time. I don't know if it's related to my use of a alcohol. **(Black Diamond Skin Complex Advanced)**

The skin feels a little yellow after use. When I saw in the Xiaohongshu, many people said it would explode. I was so scared that I put it in the refrigerator and wore insulated gloves to open the ampoule every time. **(Black Diamond Skin Complex Advanced)**

Before using the red package, the anti oxidant effect is very good. The degree of oxidation in the morning is low, and the face is white all day. It's a night of rejuvenation, and the effect is... I feel a little disappointed. Apart from the good sense of fragrance **when I use it, I don't have any other feelings for a period of time. I can't see any effect.** Moreover, **I can't use up this texture at one time. It's really like putting bad yogurt overnight.** It's all hung on the cover that opened the bottle. It's a little disgusting **(Black Diamond Skin Complex Advanced)**

A few users are not satisfied about the effect of Black Diamond. Some problems with missing gifts

I tried exfoliating and then Or **rub the mud, the pores become thicker, fierce acne**, afraid, afraid, I stopped for many days, and now I haven't had a good acne ten point two eight (**Black Diamond Skin Complex Advanced**)

Physical evaluation: I'm very disappointed that I'm recommended by wanghong. I also take it off with KOLs. They all advertise and return to spring overnight? Already continuous **After using it for about two weeks, I feel that it has no effect and may be very slow**, but the effect is publicized overnight, not overnight, a few days God, but there is a special sense of wood. It's ordinary essence. Gifts are not good enough to use that essence. Once a day, liquid foundation is used. Rubbing mud, this is a terrible comment. (**Black Diamond Skin Complex Advanced**)

It has been specially used for a period of time. I'm mix oil skin characteristic and my husband has a serious oil skin. At the same time, neither of us will feel oil when we use it. It's OK (Black Diamond Skin Complex Advanced)

可以，能混。我是混合皮偏干，很好推这个，有点像乳液，涂在脸上有一层油，保湿效果也可以的。洗完脸直接涂没擦其他护肤品我都不觉得干。味道很香，再细闻有那种vc味。小时候皮肤过敏医生开vc的那种小罐，猛吸就有点像。吐槽一下这个瓶子，我感觉自己像用了个假开瓶器，用剪刀扒的碎了一地玻璃**~其他都可以，能入。美不美白还要再看的

It's quite good. I am a mixed skin rather dry, very good push this, a bit like emulsion, painted on the face with a layer of oil, moisturizing effect can also be. I don't feel dry after washing my face and directly applying it without wiping other skin care products. The taste is very fragrant. Smell the smell of VC carefully. When I was a child, the small can of VC opened by the skin allergy doctor is a little like sucking it. When I put the bottle on the bottle, I felt like a fake bottle opener, and I used a scissors to make complaints about the broken glass. Whether it is beautiful or not depends on the following (Black Diamond Skin Complex Advanced)

收货1天后追加：少些一个字，目前还没有爆瓶.....用开瓶器还挺方便的

初次评价：09.14 肤感很好，干皮很喜欢，看后期使用效果吧

收货8天后追加：挺滋润的，但是用了这个之后不管后续用啥护肤或者不用都搓泥，不知道咋回事

解释：您好，感谢您的反馈。一般产生搓泥的原因有：肌肤角质层过厚，肌肤干燥，使用手法不当，或产品未完全吸收。若您长时间未做定期清洁护理，可尝试做去角质护理，同时注意肌肤保湿哦。使用护肤产品时，待前一步护肤产品吸收后再进行下一步护肤，并配合按摩手法促进吸收哦。如后续您还有任何疑问，都可与我们的在线客服交流分享，我们会竭诚为您服务。【MARTIDERM海外旗舰店】

I had been using the ampoule for a long time, it's pretty well.
(Black Diamond Skin Complex Advanced)

Recommended by Tiktok, haven't use it yet, expecting the effect. (Black Diamond Skin Complex Advanced)

Overall evaluation: recommended by Xiaohongshu, it is really easy to use. It has a delicate texture, is not greasy, and is easy to absorb. Like my dry skin, it feels very comfortable to use
(Black Diamond Skin Complex Advanced)

At present, there is no bottle explosion... It's very convenient to use a bottle opener.
(Black Diamond Skin Complex Advanced)

The skin feels good. It suits my dry skin very much. Let's see the later use effect
(Black Diamond Skin Complex Advanced)

It's very moisturizing, but after using this, no matter what skin care you use or don't use, you rub mud. I don't know what's going on (Black Diamond Skin Complex Advanced)

Users claimed that it's friendly to people who use to stay up late

之前用过他们家去斑提亮的那一款效果还不错，上脸也很舒服，这次试试一夜回春，确实效果更明显一点，第二天皮肤状态很好，应急需求的集美可以入，乳液质地也很好吸收，不油腻

09.12

太适合我这样的熬夜党了，不过大家在使用的时候不要摇晃，据说活性太高，做的功课需要静置下再开瓶~一盒数量真的超多支，姐妹们囤起来哈哈哈

09.06

大学就开始用玛蒂德肤的安瓶了，现在配了开瓶器更方便安全啦~每天用一只刚刚好，很滋润，早上起来皮肤状态看起来也比较好，更好上妆了~

09.06

整体评价：最近熬夜比较多，脸比较干，有点偏黄，朋友推荐了安瓶精华，到手感觉包装很棒，是一小支一小支的，可以防止污染，精华的质地也很温和细腻，上脸很容易吸收，前一晚用熬完夜第二天脸还是水嫩嫩的，一点都不油腻。方便携带，出差达人必备呀。

09.03

老客户二次回购，这个牌子的安瓶精华是真的好用，独立包装的，不用担心精华氧化污染的问题，一只用两次，早晚各一次，里面是乳白色的液体，上脸清爽不油腻，很温和，很好吸收，晚上用过以后，第二天起来，能明显感觉到皮肤变亮了些，祛黄的效果很好，皮肤会变得紧致些，说明抗老效果还不错。继续支持。

I had used their "remove the spots and brighten" the effect is pretty good, the face is also very comfortable, this time to try a spring return, the effect is more obvious, **second days of skin condition is very good**, emergency needs of friends can buy it, emulsion texture is also very good absorption, not greasy. (**Black Diamond Skin Complex Advanced**)

It's very suitable for a stay up guys like me, but don't shake when you use it. It's said that the activity is too high. The posters told that it needs to be left standing and then open the bottle ~ there are really too many pieces in a box. The sisters hoard those products. (**Black Diamond Skin Complex Advanced**)

University began to use the skin ampoules, now equipped with a bottle opener is more convenient and safe ~ use one just right every day, **very moisturizing**, and the **skin looks better in the morning, so it's better to use it before makeup**~ (**Black Diamond Skin Complex Advanced**)

Overall evaluation: Recently, I stayed up late, and my face was dry and somewhat yellow. My friend recommended the essence of ampoule. Feel good packaging, is a small one small, can prevent pollution, essence of the texture is also very mild and delicate, **the face is very easy to absorb**, the last night with the last second nights, the face is still tender and tender, and it is not greasy. **It's easy to carry. It's necessary for people on business.** (**Black Diamond Skin Complex Advanced**)

Physical evaluation: after using five real super sticks for a week, **the skin has changed in vision and touch**. The vision becomes white, transparent and smooth

Smooth, delicate and whitening effect: the skin is transparent and absorption effect: apply a whole piece to the whole face and neck every night for XX seconds to absorb my skin type:

Mixed oil and occasional acne

Net content of cosmetics: **(Black Diamond Skin Complex Advanced)**

The appearance of Ted skin really has a good sense of technology. Touch your face after application. **It's very comfortable and won't stimulate your skin**. Sensitive muscles love it! no

I know if it's a psychological effect. I'll feel white the next morning! Look forward to the long-term effect. **(Pigment Zero DSP-Bright)**

Body evaluation: super invincible! Texture and feel: it's a little oily. My skin: I belong to the stratum corneum, which is very thin

Sensitive to dry skin, to what extent, is a slight inattention, the face will be a small seed seed, use this essence, to third

God, the little seeds are all gone! And the skin is super bright. Seeing that the skin is light and bright, washing your face becomes dynamic!

Absorption effect: **especially good absorption and excellent brightening effect!**

The face is bright like a walking light bulb, as shown in the following video, absolutely not

It's oil, it's pure and bright! **(Pigment Zero DSP-Bright)**

提亮效果不错，要长时间用才看的出来！

美白效果：产品水润易吸收，最近换季皮肤有点暗黄，坚持使用了一段时间，感觉脸部比之前有了些光泽，期待用完一整盒后的变化~

本来没抱希望的，之前试了好多牌子的安瓶都很一般，但是这款真的很有效果，刚涂上的时候感觉质地很滋润很好吸收，第二天起床皮肤真的很透亮，连续用了几天了，皮肤状态好了很多，会坚持使用再来追评。

效果要坚持用才会有，真的会白，皮肤会好

The lighting effect is good. You can't see it until you use it for a long time!

(Pigment zero DSP-Bright)

Whitening effect: the product is moisturizing and easy to absorb.

Recently, the skin is a little dark and yellow. I insist on using it for a period of time. I feel my face is better than before

With some luster,

Look forward to the change after using up a whole box~

(Pigment zero DSP-Bright)

I didn't hope. I tried many brands of ampoules before, but this one is really effective. When I first painted it

I feel that the texture is very moist and easy to absorb. When I get up the next day, my skin is really bright. I have used it for several days, and my skin is in good condition

More, will insist on using it and then make follow-up comments.

(Pigment zero DSP-Bright)

If you insist on using it, it will really turn white, the skin will be fine.

用了一周才来评价，首先非常好吸收，这一周我也很明显的脸变得透亮，有光泽，因为我本身皮肤黄气有点重希望可以改善，十一七天假期期间使用的，一直在家没有出门，早起洗完脸之后直接涂抹 没有用其他后续护肤品，不油腻，蛮水润。目前一周没有闭口出现，希望回购，但是我在新疆 买完之后就不出售新疆了。如果新疆可以再发货的话双十一会回购，希望还有优惠

之前因为一直熬夜，脸上皮肤不是很好，后来闺蜜推荐给我用的安瓶，从她那边拿了一些过来试用，效果简直惊艳我，之后就来旗舰店入手了正装，现在使用下来效果还是挺不错，黑头闭口稍微缓解了不少。

The skin used to be dark yellow. Now it's **obviously white**. I don't know what the other sisters are like

In addition, **I obviously have the change of delicate skin**! It's really super recommended! Double eleven store: texture and feel: Ten twenty

(Pigment Zero DSP-Bright)

It took me a week to evaluate it. First of all, **it was very easy to absorb**. This week, my face became bright and shiny, because I

My skin is a little yellow. I hope it can be improved. I used it during the eleven or seven day holiday. I haven't been out at home all the time. I got up early and washed my face After direct application, no other follow-up skin care products are used. It is not greasy and quite moisturized. I haven't been silent for a week now. I hope to return

Yes, but I won't sell Xinjiang after I buy it in Xinjiang. If Xinjiang can deliver goods again, double ten will buy back,

Hope there are also discounts **(Pigment Zero DSP-Bright)**

The skin on my face was not very good because I stayed up all night before. Later, my best friend recommended me to use an ampoule and took some from her

The effect was amazing when I tried it. Then I came to the flagship store to start formal sets. **Now the effect is still very good. The pox is closed**

The mouth eased a little. **(Pigment Zero DSP-Bright)**

Digital Marketing Actions

Influencer NiuNiu(_阿NiuNiu) promoted Marti Derm on Douyin in a video, in which the product is well explained.

- _阿NiuNiu started the video with the current hot topic “Morning C and Night A (早C晚A)” but it is not suitable for all people. Then introduced Marti Derm Black Diamond with detailed explanation on the product to show why it is better.
- In _阿NiuNiu ‘s Douyin Store, sales of Black Diamond reached to **X ,XX X units**.

It is a very good example to **make the product stay with the trend**:

- Compare Marti Derm with other trendy products from the perspective of their **function** without mentioning the name of competitors in order to persuade consumers.

Marti Derm could invest in a certain number of influencers each month with the objective to:

- Keep the brand alive and build “**connections**” between your star products and star products of competitors.
- Build up a **unique** position for the existing star products.
- Explain the bottle “explosion” problem through influencers.

Double XX Campaign

During this year's Double XX campaign, All competitors (except Biohyalux) took strong marketing actions on social medias to improve their sales.

- [Skinceuticals](#) launched X video series and invited influencers to their livestreaming room.
- [Dr.CiLabo](#) launched [special edition](#) of X X X Super White serum and participated in [Austin](#)'s successful reality show. The brand also enhanced their [loyalty program](#) through the campaign.
- [Filorga](#) warmed up the campaign with their [new brand ambassador](#) Junkai Wang for Meso-Mask.
- Due to an undesirable content by one of the collaborated influencer, [Biohyalux](#) stopped to post content during the campaign.

All competitors in this report were promoted in Austin's livestreaming.(Except Biohyalux)

SkinCeuticals launched new video *The Power to Become Professional* in collaboration with The Fair (New Shi Xiang) .

- The topic #The power to become professional# created together with the launch of the video received **XX .X X million views** on Weibo.
- X celebrities collaborated in the video are from X different sectors:
 - Uzi – Professional Game Player
 - Maizi – Young movie director

Research & Innovation VP China & North Asia of L'Oréal Maxime de Boni + product communications manager at R&D of L'Oréal

Dermatologists Zhizhong Zheng + Leihong Xiang

Pingpong players Meng Chen + Yingsha Sun

- The popular word “**CP**” (**couple**) are being used by cosmetic brands to promote their product in pairs. SkinCeuticals use this concept to show how “couples” could together achieve good results which also refers to different product combinations of the brand.
- Videos have been promoted by other important accounts like **Lifeweek** (三联生活周刊), **VistaStory** (Vista看天下), **lweekly** (周末画报) etc.

- SkinCeuticals posted the video series on all its social media platforms, including **Bilibili**. (medium-long video platform)

X “couples” of SkinCeuticals for different demands: anti-oxidant, anti-aging, reduce spots, relief redness.

- Chinese consumers are trend seekers. Marti Derm ampoules such as Pigment Zero can be promoted as “must-have for your Morning C Night A Plan (早C晚A必备)”. It is safer and softer than other VC-serums etc.
- The best ambassador to convey this message are influencers dedicated to give “skincare tips” on Xiaohongshu and Douyin.

Compare your product with other star products is a good way to convince consumers.
Just clarify the difference to help them make the decision.

SkinCeuticals invited influencers to their livestreaming room during the campaign of XX.XX.

Cosmetic Influencers

Dermatologists in Collaboration with Dr.Ding Xiang

- Inviting influencers to the brand's livestreaming room has already been a common practice of SkinCeuticals.

SkinCeuticals created X must-buy lists to guide the consumers.

- By making the must-buy list, the brand **guides** consumers to the promoted products, understand the product and convert **traffic** from WeChat official account to their mini-program shop.
- The brand prepared high value **gifts** such as **Led mirror**, **Dyson hair dryer**, **Marshall loudspeaker** etc.
